In its application, Saline County seeks non-recurring costs in the amount of **\$9,350.00** for the purchase and installation of software necessary for enhanced wireless 911 service. Saline County entered into a contract with GeoComm, Inc. (GeoComm) for the purchase and installation of the GeoLynx software and has provided a copy of the contract with its request for funding. Installation occurred in December, 2002.

The Enhanced Wireless 911 Advisory Board considered Saline County's request at its March 23, 2007 meeting and recommended that the Commission approve payment in the amount of **\$9,350.00** for the GeoLynx software. All amounts requested are consistent with GeoComm's response to the Commission's RFP.
